first-served basis.

Members in my Concierge Choice program receive:

Preventive Wellness

An extended annual examination that includes a thorough health review and customized supplementary testing and specialty labs to determine cardiac risk factors, EKG, spirometry, sleep studies, vision screening and anxiety, depression and ADHD screening.

More Time with Me

Longer, more relaxed appointments that start on time, allowing us to discuss all your health concerns and treatment plans in one visit.

Easy Ways to Reach Me Directly

Members receive my private cell phone number and email address for after-hours communication.

Convenient Appointment Scheduling

With dedicated appointment times for concierge members, it's easy to secure a same-day or next-day appointment.

Comprehensive and Coordinated Care

I can serve as your advocate with specialists and health providers.

A Dedicated Staff Focused on Service

You will have a Concierge Coordinator to efficiently book appointments, answer questions or help you with paperwork.

Hospital Care

Members receive my personal supervision and management of in-hospital care instead of care by a hospitalist.

Complimentary Enrollment of your Children

Children ages 18-26 receive complimentary enrollment when a parent joins.

Peace of Mind While You're Traveling

A network of concierge physicians available when you are away from home.

Here's what patients like you are saying about the concierge program:

"My doctor is the best and I love the concierge program. As someone with various health problems, I am happy with the ability to contact my doctor so easily."

"Amazed at how quickly the staff and my doctor responded to me. I received a quick and excellent response to my first call and they followed up with my medical issues."

"The doctor and staff are always thorough and attentive, putting my mind at ease regarding the health issues I worry about."
